

Dear Athletics Club,

This year has been far from normal, and our circumstances have forced us to think about things in new ways. Well, as the name of our race suggests, we love a good challenge, and we are thrilled to share a plan that will benefit your running club as well as the SPAR Women's Challenge 2021!

We know that we can achieve more by working together. For this reason, we are doing our SPAR Women's Virtual Challenge **NATIONALLY**! The SPAR Women's Virtual Challenge will be taking place on Saturday 4 September and we plan to break all record by having 75 000 people running or walking on this day and with your help, we are sure that we can achieve that.

Over the years, the race has brought women from all walks of life together, to make a difference in our communities and we plan to keep doing exactly that! Our theme for this year is #LiveLimitless and we want to enable you, our Running Club to raise money for the club in these difficult times by keeping a portion of the entry money. Please note that this Club fund raising initiative only applies to Running Clubs in Central Gauteng Athletics and Athletics Gauteng North.

1. Entries per person is R60 per person, which will include a race pack (T-shirt, buff and medal). Entries from the clubs will be on a bulk entry system. Attached you will find the guidelines as well as the bulk entry form. We will need all the 'fields' to be completed. Once the form is submitted, an invoice will be generated for R30 of the entry fee. The club will be able to keep the other R30.
2. Entries for the club's bulk entries will close 15<sup>th</sup> August 2021.
3. Race packs will be delivered to the running club as soon as payment is received.
4. Participants will only be able to collect their race packs from the running club from the 27<sup>th</sup> August 2021 or as soon as the race packs are delivered.
5. This year to make it easier we will pack the race packs according to sizes (S, M, L, XL and XXL) We will supply the Running Club with a list of their participants on which the participant can sign receipt of their race pack.
6. For every entry SPAR will still be donating a pack of sanitary pads to a charity.

We hope that you are as excited about our new plan for this year as we are and that you use this opportunity to raise some much needed funds for your club. If you have any queries, or would like to discuss any ideas you may have, please feel free to contact us any time.

We look forward to working with your club, and thank you for your wonderful support in advance.
